

How to find us at Kangaroo Point

Once you arrive at the Kangaroo Point Cliff you need to make your way to the park area below the cliffs. See above in Red. If you come down the stairs near The Cliffs Cafe at the bottom of the stairs turn left and follow the cliff face for about 300m.

We will be set up within one of the gazebo areas in the park, our banner will be set up so as we stand out as a meeting point, staff will also be wearing bright green shirts, if unsure make yourself known to one of them and they will point you in the right direction.

Please aim to arrive 15 minutes prior to your activity start time.
